Who Are We?

We are Sally and Steve, owners of Staveley House B & B and living on the premises. We aim to be an example of all that is good about a small bed and breakfast. We are small with only three bedrooms but can provide a personal, individual service in a comfortable informal atmosphere, (Home from Home).

We run the B & B together with help from our daughter sharing all responsibilities, cooking, cleaning, gardening, repairs and decorating. We can guarantee high standards of cleanliness and personal service.

So why not treat yourself to that well earned break. Stay with us weekends, midweek or weekly stays. We will look after you.
